

Aggie News

Volume 3 Issue 2

June 2000

From The Editor

Greetings classmates,

This issue of The Aggie News will consist of just two items:

- 1) A Reunion 2000 reminder with reservation form.
- 2) A current list of all the people in the Aggie database.

With this issue we all have a job to do.

If you're interested in attending the reunion and haven't done so yet, please send your reservation to George Jones. The Reunion Committee needs to know how many people will be attending.

The entire database list is being sent with this issue in the hopes that we can make one more concentrated effort to find missing classmates. The list is sorted by CLASS YEAR and SCHOOL NAME. Look it over and see if you can come up with anything to help us out. First check your own listing and make sure the information is correct. If you see any errors or missing information send us a note here at the Aggie News so we can fix it.

Next, check the section that includes your class year and see if you can fill in any of the blanks. If you know the whereabouts of anyone that we haven't found yet please let us know. You don't have to know everything. Just a clue that we can work on will be helpful. Do you know their married name? Do you know what city or state they might be living in? Do you know of any of their relatives that we could contact to get the information? Any information you can supply will be appreciated. Your Alumni Committee will be grateful, your Reunion Committee will be grateful, and most of all, most alumni that are found are usually very happy to have been discovered!

Many classmates have been wondering who we have managed to locate and this mailing will give everyone a chance to find out. You may be surprised that many of your old friends and classmated have indeed been found and may even be living nearby.

Now that we are all getting along in years those old school days become more important to us. Being able to re-connect with our classmates from many years ago is one way to bring those days back.

See you in September,
Charlie Main Class of '56

Dear Classmate,

Many of you have been asking if we could do a booklet again as it was a welcomed keepsake from the last reunion. In celebrating our Year 2000 Class Reunion we are again working to formulate one. We will need your help. We ask that you take a few minutes to complete the following questionnaire and mail it in. If you can't attend the reunion, please submit this form anyway for inclusion in the booklet. Remember that this booklet will be the reunion for some classmates and they would like to know how you are doing. Let's make it successful by filling it out and returning it by June 15th. Thank you for your cooperation. (Though it is our hope that you complete this questionnaire, answers to any questions are optional. Please print clearly.)
